Internship Completion Certificate

This is to certify that **Test User** successfully completed a 45-days internship at **EduLinkUp** in the **Python Development (Automation & Scripts)** domain.

During this period, **Test User** has shown great enthusiasm, dedication, and teamwork. They have been an outstanding team member and actively contributed to various projects related to **Python Development (Automation & Scripts)**.

This internship completion certificate is awarded to **Test User** in recognition of their hard work, commitment, and achievements during their internship at **EduLinkUp**. We wish them all the best in their future endeavors.
